THE HUMORIST.

Behold the cheerful humorist; take note of him, I say,
Who steals God's sunshine from the skies and prints it every day.
Behold the cheerful humorist; what griefs may be his share,
Who knows? And yet he lets the world know nothing of his care;
He tunes his song to joy alone, and makes the weary way
Of life a little happier for some one every day.
He asks no man to bear with him the burden of his care,
He picks the sob from weary hearts, and sets his laughter there;
The howling of his fancy twangs, his smiling arrow flies
To find the heart of care, and dead upon its way it lies;
For he is God's own optimist; his heart is ever new,
And by the weary way of life he comforts me and you,
God bless the cheerful humorist; and may he reap some day
The fruit of all the happiness he scatters by the way,
And some day God will smile on him and bid him come away
To where the sun of happiness makes bright an endless day,
To where the angels' laughter always echoes through and through,
And God will give him back his smiles that he has given you.
—Bismarck Tribune.

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

The Bath County World, published at Sharpburg, was 13 years old with the last issue.

Mr. J. Henry Pecor returned Saturday evening from a protracted stay in the shoe marts of the East, selecting his fall footwear.

Judge Whitaker gave Sam and James Price \$50 each for their fun the other day. This will compel the boys to hang up their hat at the Hotel McIlvain for some 40 days.

Messrs. James Hall Miller and Joseph S. Raine of Atlanta, Ga., are guests of Mr. James H. Hall, Jr., of West Third street. These gentlemen traveled from Atlanta to this city in an automobile.

Just received a new line of Neck Chains, Crosses, Lockets, Blouse Sets, New Style Bracelets, Side and Back Combs, New Hat Pins, Set Rings, Cuffbuttons, Brooches, Fobs for Ladies and Gentlemen. P. J. MURPHY, the Jeweler.

Dr. Harry Pangburn, formerly of this city, is located in Chilfancingo, Mexico. He is in charge of a hospital connected with a Copper Mining Syndicate, and his many friends here will be glad to learn that he is well and prospering.

An automobile party consisting of Mr. and Mrs. J. C. Spargen, Miss M. T. Cummings, Miss L. H. Huggins and Mr. F. M. Hibban of Hillsboro, O., passed through the city Saturday en route home after a sojourn at Mammoth Cave and tour through Southern Kentucky.

Gordon, the bright little son of Dr. and Mrs. P. G. Smoot, had a narrow call yesterday from serious injury. He was leaning out the second story window facing the alley at his home in Market street and losing his balance was hanging in a perilous position when rescued by his mother.

The big 21-passenger automobile to be tried between this city and Flemingsburg was pried out Saturday and made the run between the two points in one and a half hours. The same run was repeated yesterday in an hour and ten minutes. The line will be regularly established in a few days.

Colonel George N. Crawford was in a reminiscent mood Saturday and imparted to The Ledger Scribe the information that on that day 29 years ago he had turned his back on King Alcohol and from that day to the present not a drop had passed his lips, all of which is much to his credit. What a bank account others could have had today if they had only followed the example of the venerable patriarch now nearing the shadow of the other shore.

THE LEDGER made mention several days ago of the wonderful and pleasing change of the Hill House since having passed through the hands of the painter, Mr. Charles H. Wilson, who is an artist in his line and knows his business. In completing the job Mr. Wilson used 1,250 pounds of white lead, 650 pounds of ochre, 20 pounds of lampblack, 30 gallons of turpentine, 188 gallons of linseed oil, 20 gallons of Japan, 2 barrels of lime for whitewashing, 98 gallons of tar for roofing, 800 rolls of wallpaper. Total gallons of paint used 341. A good sized job.

This is the last day for the payment of August 1st gas bills.

During July 206 building permits were taken out in Louisville, aggregating a cost of \$408,805.

The splendid rain Saturday night was worth thousands of dollars to the farmers of Mason county.

Yesterday morning the C. and O. excursion train for Cincinnati received 125 passengers at this point.

Despite the untoward and threatening weather, there was a good crowd at Beechwood Saturday night.

Mr. James Haley of The Ledger Force, who was attacked last Thursday with acute stomach trouble, is but slightly improved.

Between Ruggles and Parks Hill Campgrounds and the Cincinnati excursion yesterday Maysville was nigh about depopulated.

A large party from Mt. Sterling left Saturday for Niagara Falls, Toronto and other points, chaperoned by Editor J. D. Wyatt of Ewing.

JOHN A. SEATON.

Less than two weeks ago the venerable Joseph F. Brodrick, whose death occurred at Montgomery, W. Va., was laid to rest in the Maysville Cemetery.

He was a former member of the drug firm of Seaton & Brodrick, this city.

And now comes the announcement that Mr. John A. Seaton, senior member of the firm, dropped dead Saturday in a Euclid avenue car in Cleveland, O.

He was about 71 years of age, and is survived by his wife, eldest daughter of the late George Arthur of this city, and one son and two daughters.

Mr. Seaton was a thorough gentleman, a man of excellent judgment, and the iron front of Mitchell, Finch & Co.'s Bank—formerly occupied by his firm—by far the handsomest in the city, is a monument to his good taste.

Some thirty years ago he went to Cleveland, since which he has been successfully engaged in the insurance business.

BROKE HIS ARM

Gilbert Tolle Meets With Mishap Early Saturday Evening

The Alpine Slide is not intended for men tanked up full of booze, and when Gilbert Tolle essayed the Slide Saturday night loaded to the guards the result was nothing more than might have been expected.

After awaying and wobbling in his descent, he reached the bottom in a helpless condition and being unable to get out of the way of those following behind was piled upon and in the crush he sustained a broken arm.

Dr. Arvid Taylor was appealed to and the injured man received proper attention.

Tolle has a wife and five children who will bear the burden of his enforced idleness in consequence of the accident.

NEW LAW FIRM

Judge Allan B. Cole Joins With His Nephew, A. D. Cole

The growing and extensive law practice of Hon. A. D. Cole requiring his frequent absence from the city has made it necessary for him to form a partnership.

He has therefore consummated a contract with his father's twin brother, Judge Allan B. Cole, of Ironton, O., who will at once move to this city and make it his home.

By mutual consent, their practice in the state and Federal Courts will be conducted under the old firm name of A. E. Cole & Son.

In the early '60's Judge Cole read law in this city in the office of Judge Richard H. Stanton and this is a return to the scene of his entrance into his profession.

In politics Judge Cole is an ardent and lifelong Democrat, and to prevent an early dissolution we learn there is a special provision in the articles of partnership that he is not to discuss politics with his Republican nephew.

THE LEDGER extends to him a Kentucky welcome.

A Texas girl advertised for a husband and got him. The total for advertising, wedding outfit, etc., was \$11. Within a year he died, leaving her an insurance policy for \$10,000. With some of this money she bought fashionable "store" clothes, went to Saratoga Springs, N. Y., married a billionaire, and shortly afterward got a divorce from him and \$15,000 a year alimony as long as she lives. And still some people say it doesn't pay to advertise.

Dollie Massie, the ten-year-old daughter of Norman Massie, mention of whose illness was made in THE LEDGER some days ago, passed away last Wednesday at the home of her father on Tuckahoe.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

THE Winchester Sun-Sentinel says it has been the policy of the Democratic party in Kentucky for forty years to create offices for henchmen and to enact laws that make it easy for thieves under the forms of law to rob the taxpayers.

THAT man WALTON, lately transplanted from Lexington to Frankfort, is in full eruption again. This time he has such an attack of rabies that he speaks of the late CHAMP CLARK as CHAMP "CARTER." Somebody ought to muzzle him.

A VALUED lady friend asks THE LEDGER to include her Attorney's fee in the costs of a recent settlement with an Auditor's Agent for back taxes. You know the services of these lawyers come high; and the best plan is to make a contract with them beforehand. However, the amount paid in that direction is a purely private affair, with which I do not feel justified in mixing up.

THE situation between the armed camps of the Louisianians and the Mississippians and the patrolling of the waters of the Mississippi by the navies of the respective sovereignties may be serious, but not one-half so serious as the situation in the gulf region will become unless quarrels cease and science and good sense strike hands against the common enemy, says The Commercial Tribune. While Health Officer KOHKE

and other authorities of the city of New Orleans are insisting that "yellow fever is now known not to be a filth disease," and that "the most perfect cleaning of the city could in no way affect the fight against the disease, it being known that it is only transmitted by the stigmymia," other authorities of New Orleans are insisting on cleaning the city, while Governor BLANCHARD believes in maintaining a rigid quarantine.

Governor VARDAMAN of Mississippi is taking no chances. If it be true that the disease can be transmitted only by the bite of the stigmymia, no harm can come from his quarantine by the old-time deadline method.

That Louisiana is not herself fully convinced of the stigmymia theory her quarantine against Mississippi and other states is a sufficient demonstration. It has not been determined that the disease is transmissible only by the bite of the stigmymia, and it has not been determined that cleanliness is not a foe to yellow fever. All possible precautions ought to be taken. There ought to be cleanliness above all things, and no sensible man can complain of the action of Governor VARDAMAN in declaring and maintaining a quarantine against Louisiana and the gulf region, notwithstanding there may be criticisms of his methods and laughs over his Bombastes Furioso style of proclamations.

It is a good time for science and good sense, for moderation and for persistence to take the place of proclamations, and also for the admiralities of the two states to quit making faces at each other. Health Officer KOHKE, Dr. BEVERLY WARNER of the Ward Committees, and Chairman JANVIER of the General Committees at New Orleans, adhere to the stigmymia theory, and Governors BLANCHARD and VARDAMAN stick to the rigid quarantine theory. It is an excellent time to take counsel together and agree on enforcement of all sanitary and quarantine measures, with the interests of the people considered and less playing to the galleries.

Saturday evening Misses Lottie and Lizzie Cartmell gave an outing and boat ride on the Tenas Klooshman in honor of their guests, Miss Steele and Miss Siphers, and other invited guests for the occasion were Miss Amy Phister, Mr. and Mrs. Isaac Woodward, Mrs. John M. Hunt, Mr. R. Murphy and Mr. and Mrs. Frank Clarke, chaperoned by Rev. R. E. Moss.

A delightful ride in the trim little craft soon landed the gay party at Ripley, where supper was served. After a promenade of the Ohio village they returned to the boat and the prow of the Tenas Klooshman pointed for Maysville and home.

Soon after homeward bound the clouds began to lower, the lightning flashed, the thunder rolled, the waters became turbulent, the rain descended, and not since the days of Noah and the flood was there such a downpour; at least that was the opinion of the bedraggled party.

After reaching a point three miles below the city the boat was compelled to take to the bank for safety, where they tied up in the willows until the storm had spent its force.

The singular part of it all was that with the exception of Parson Moss—and perhaps his was an old one—the gentlemen escorts apparently were concerned about one thing only and that was their new hats, and thanks to the ladies, who so graciously and carefully guarded and protected them from the rain, were the only dry articles aboard the boat when the tired and drenched party reached the wharf here at 12 o'clock.

Some great bargains in farms at John Duley's.

The second oldest babe of Mr. and Mrs. Thomas Malone of near Clark's Station died yesterday at 12 o'clock. Funeral this morning. Interment in Washington Cemetery.

Mr. "Pat" Williams's Moving Picture Show pleased a good audience at Beechwood Saturday night. Mr. W. has ordered a new machine, and he will soon have a better outfit than ever.

Remember, 10 cents admits you to the Pavilion at Beechwood every night this week. Admission to the Park free. Front seats reserved for the ladies without extra charge. Now for a big crowd to see a good show.

Saturday a jolly party left on the 1:36 for Glen Springs, composed of the following: Misses Hattie Cochran, Lottie Dodd, Elizabeth Green, Helen Pelham, Julia Perrine and Winnie Elgin; Messrs. Frank Owens, John Cochran, Samuel Daugherty, Pickett Chunn, John M. Calhoun, Laurence Phister, Lee Browning, Keith Browning and William Wadsworth. They were chaperoned by Mr. and Mrs. Harry B. Owens.

The gage marks 11.4 and falling.

The Virginia passes down this evening from Pittsburgh.

The Kanawha fleet started Saturday from the mouth of the Great Kanawha and was due in Cincinnati last night.

The shaft of the towboat Val P. Collins has been rebuilt, and it has been found that she will have to have a general overhauling.

Eight boats of the fleet that passed last week were sent South with increased tows. The remainder will be rushed back with much-needed empties for the mines.

The Tom Rees No. 2 started from Pittsburgh with a tow, ran as far down as Middleport, turned her tow over to another boat and went back to headwaters light, in hopes of being able to come out with another tow before the water falls too much.

Tokyo is a few degrees colder than London in January and fifteen degrees warmer in July.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man, during the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all this this morning. You can use this in behalf of suffering humanity."

Mrs. Minnie Jolly is improving in health under the care of Dr. Dobyns.
Wheat threshing is over, resulting with about a half yield and quality the same.
Corn was never more promising. Another good rain will insure a heavy yield.
Tobacco is spotted and slow in sizing up, which insures a shortage in the end.
Dr. Dobyns was with Mrs. Alex McDaniel most of the day Thursday and reports the birth of a son.
The hay crop is short and much of that is badly spoiled by too much rain during the handling.
Farmers are considerably annoyed for the want of help to make and save their crops, caused partly by so many protracted meetings following so closely one after another all season.

A Warning to Mothers.
Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels, give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by all Druggists.

A MAYSVILLE CASE

Many More Like It In Maysville.

The following case is but one of many similar occurring daily in Maysville. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

C. L. Hubbard, employed in Cablish's Grocery, Cox Bldg., and living at 325 W. Third street, Maysville, Ky., says:
"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and again found complete relief. Now, after nearly five years, I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory. I got the remedy at J. Jas. Wood & Son's Drugstore.
